JumiaPay

Quick overview

- **Amount:** N1.000 - N100.000
- **Term:** 30 days

The screenshot shows the JumiaPay website interface. At the top, there is a blue navigation bar with the JumiaPay logo and links for BUSINESS, TRANSACTIONS, ACCOUNT, and a SIGN IN button. The main content area is divided into two columns. The left column is titled 'Loans' and contains a 'Get a loan' button and a 'CONTINUE TO PAY' button. The right column is titled 'Personal loans' and features a '\$' icon and text stating that JumiaPay offers easy access to instant micro-loans, available only through the JumiaPay's Android app. Below these columns, there is a section titled 'Get an instant loan with no collateral, no stress and no delay.' followed by instructions on how to apply for a loan and a list of reasons why one should take a loan on JumiaPay.

JumiaPay offers you easy access to instant micro-loans. Get a loan now! For now, loans are only available through JumiaPay's Android app.

Get an instant loan with no collateral, no stress and no delay.

Loans are only available through JumiaPay's Android app for now. Download the Android app by clicking [here](#).

How to apply for a loan:

1. Visit the JumiaPay Android app (Don't have the app? Download it [here](#))
2. Scroll down to the 'Financial Services' section and click 'Loans'
3. Provide all the requested information
4. Approval takes a few minutes and you get an email requesting for your details for disbursement
5. Once you provide your details, the loan is paid into your account instantly

Why should you take a loan on JumiaPay?

- It's very easy to apply - No long forms to fill
- It only takes a few minutes to get the loan in your bank account after approval
- No collateral is required
- Low interest rates
- Repayment is very easy
- Bigger loans, lower interest rates on subsequent loans

A representative example

Loan amount N100.000 borrowed and fully repaid after 30 days. Total

amount payable = N103.500. The fee would be N3.500.
